

CART Recruitment Activities

CART Mobile Exhibit:

CART will set up and display projects in a tent-like situation where home school students can experience a taste of CART through student projects, student testimonials, and a video.

Home school will recommend an appropriate setting, provide tables and electricity, and promote event through announcements. Applications will be available in December.

Special Event

Please list the dates of scheduled events such as Open House, Career Day, Food Fair, Parent Night, and any other events in which CART may participate with the Mobil Exhibit. *Home school will recommend an appropriate setting, provide tables and electricity, and promote event through announcements.*

Applications will be available in December.

Classroom Visitations:

Students will participate in a twenty minute classroom presentation introducing CART, lab choices, application process, important dates and an informational video. Applications will be available and names will be collected for follow-up. *Home schools will provide visitation schedule, teacher supervision during the event and have AV equipment (VCR, DVD, sound system, projection equipment) available.*

Students visit CART:

Students will participate in a field trip to CART. Students will experience a twenty minute classroom presentation introducing CART to include student projects, lab choices, application process, important dates and an informational video. Applications will be available and names will be collected for follow-up. *Home schools will provide transportation, permission slips, and teacher supervision during the event.*

Home School Parent Meeting (in addition to CART site parent meetings scheduled for January 26 and February 2)

Parents will participate in a thirty minute presentation introducing CART, lab choices, informational video, student/parent presentation, application process, and important dates. Question and answer period will follow. Applications will be passed out and names will be collected for follow-up. *Home school will publicize the meeting and provide a meeting space with AV equipment (VCR, DVD, sound system, projection equipment) available.*

Follow-up and Counseling (Coordinate so occurs shortly after classroom visits or special events)

One or two days that will be dedicated to meeting with interested students to complete and/or collect applications. *Home school will provide appropriate setting and summons students to meet with CART staff*

Other Events:

CART Parent Night

Parents will participate in a thirty minute presentation introducing CART, lab choices, informational video, student/parent presentation, application process, and important dates. Question and answer period will follow. Applications will be passed out and names will be collected for follow-up.
